## 2015 Goals

---

- To organize alumni session for past EIM certified participants, to know how they utilize EIM, the benefits, feedback & challenges by this doctors & fitness trainers after attending EIMM course.
- EIM plan to organize at least 3 courses for doctors & 3 courses for fitness trainers.
- To send out evaluation forms to certified doctors & fitness trainers. How to implement, apply & measure benefit/use of EIM.
- To organize refreshing course or EIM Level II / advance level.

## Past Accomplishments

---

- Conducted 3 EIM courses for doctors. 86 attended & 75 graduated.
- Conducted 4 EIM courses for fitness trainers. 105 attended & 85 graduated.

- 
- Conducted 1 seminar under EIM (Speaker by prof Dr Steve Blair). 40 people attended, limited invitation only to past EIM graduate doctors/fitness trainers, NC members & guest.
  - Dr. Azmi Mohd Tamil & Dr. Amuthan Ganesh representative from academic institution organized 1 seminar, attend by 30 people. Attendees were lecturers of medical university/colleges & some medical students.
  - Under the "Sport for All" component we have organized 3 seminars & 1 workshop. Total attendees of all those 4 events were 518 participants. Attended by sportsmen/women, ex-athletes, coaches, event organizers, National/State Sports Association, NGO, sponsors, sports business owners, Universities/Colleges & etc.
